### Family Directory Update

We are updating the Family Directory and we want your family picture and information! Please get us a picture and your information as soon as possible! Thanks so much for sharing yourselves with us.

### Interns

Have you noticed some additional faces around? They are our wonderful new interns! This semester we are joined by 3 interns from the Social Work and Early Childhood departments at CSU and FRCC. These interns do not ever replace or fill the role of teachers or assistants. They are, however, a great resource to get even more one-on-one time between children and adults and to run additional types of projects. The learning experience they can receive from our long-term teachers and quality programs strengthens the field of work with children in Fort Collins. Marika and Nina will be with us through May and Kate will be with us through the end of summer.
