Financial Policies

Registration

- There is a \$45.00 Registration Fee due with each Registration Form. That fee is reduced to \$15.00 for those who are regularly coming to YPLC each week during the school year.
- There is a \$5.00 per week discount for each child in KinderCamp when two or more children from the same family attend fulltime at either center, KinderCamp, or Fun Camp.
- Your Registration Fee can be waived if you are scheduled for 40 or more days, and you pay in advance for the entire scheduled time with your Registration Form.
- Your Registration Fee can be reduced if you attend less than 16 days for the summer: 1-5 days = \$25.00, 6-10 days = \$30.00, and 11-15 days = \$35.00.
- Please include the payment for the swimming lessons with your Registration.

Payment and Late Fees

- Full Payment for the week is due no later than the first day of attendance each week.
- Any payment not received by Friday of each scheduled week is subject to a **\$20.00** late fee, each week, until the account is paid in full.
- All Drop-in Days (not originally scheduled) are billed at \$50 per day.

Absences and credits

- You are charged based on the days you register for. If you have reserved a spot by registering for it, it is not available for anyone else. Therefore, you are responsible for those charges even if your child is sick or there are other unexpected days off.
- Switching days is allowed provided we are given at least 48 hours advance notice prior to the days you want to switch from, and there is space available for the days you want to switch to. All such requests must be in writing submitted 48 hours from the date you want to switch from and you must get confirmation from the office at YPLC. You will not be charged anything extra for any switched days.
- In the event you are absent and have not been able to switch the day(s), you will be issued a \$5.00 credit for each day missed from your scheduled days.

Activity schedule changes

Our schedule of activities is based on the probability of good weather and general conditions of the vendors we use. If weather does prohibit us from doing exactly what is on the schedule for that day, we reserve the right to switch that day’s activities to something else which would be appropriate for the weather conditions. This could include switching activities within the week, as it is often important to maintain contractual arrangements with vendors. As such, even though we have a terrific track record for sticking to our published schedule, we do not *guarantee* to provide any specific activity on any specific day.

GENERAL INFORMATION

KinderCamp is open to children who are going into or coming out of kindergarten. KinderCampers spend about 60 percent of their time outside of the center. We will be traveling around town in our school bus and may also use our 15 passenger vans for some out-of-town trips.

In order for us to confirm your reservations, you must complete the attached Registration Form and return it as soon as possible. Space is limited. We have two drop off/pick up locations for you to choose from. Our 209 E. Plum St. Center, and is generally for those going into kindergarten and our location out of O'Dea Elementary School is generally for those who have completed kindergarten. Exceptions can be made based on convenience for parents. The children are together during the day doing the same activities. Plum Street opens at 6:30 and closes at 6:15 each day. Due to contract restrictions, O'Dea opens at 7:30 each day and closes at 5:30. Our bus leaves from Plum Street each morning about 9:00 and picks up the O'Dea group before we start our days activities.

Jeff, Amber and Julie, three well-qualified, long term Young Peoples staff will be running this program. Our enrollment is totally open. That means you may sign up for any days/weeks you want and will only pay for those days. However, you are responsible for all days scheduled, even if your child is sick or there are other unexpected days off. We will attempt to trade days when given a 48 hour notice if space is available. In order to be sure we get to know your child, you are restricted from signing up for just the big field trip days on Tuesdays.

GENERAL WEEKLY SCHEDULE: Each Friday we will give you a detailed schedule for the next week. Although we expect to follow our original schedule, due to reasons beyond our control, you may see some changes. Therefore, if you are picking up or dropping off at an unusual time, please call the center to verify our location. The time we leave for our morning field trips may vary, so please check the weekly schedule to make sure your child gets there on time as it may not always be possible to meet up with us! We will be returning to the Center about 3:30 unless otherwise noted on the weekly calendar.

PROGRAM SPECIFICS

LUNCHES: Please bring a sack lunch and two snacks every day. **The Larimer County Health Department now requires all lunches to be in an insulated lunch box with an ice pack.** We will provide water. Good snacks to consider are: popcorn, pretzels, cereal, fruit roll-ups, fruits and veggies. Choose nutritious and energizing foods to help keep the kids going all day! You will need to send non-heating lunches as we have no heat source at the parks. We prefer that if you send a Lunchable, you only do it once a week. We feel Lunchables do not completely meet the daily nutritional needs of the children, so please add fruits and vegetables. Also please monitor the volume of food brought home to adjust how much more or less to send the next day. Generally, the kids eat much more during camp than during the school year. A good lunch usually has at least 5 items.

WATER BOTTLE: *We will provide a Camp Water Bottle but please have your child bring it every day. Otherwise we will charge you \$1.00 for a bottle that day. Families are in charge of washing and sanitizing these bottles at home and returning them to camp each day.*

BACKPACK: Each child should have one that is big enough to carry their towels, swimsuit, lunch, hat, water bottles and extra clothes.

EXTRA CLOTHES: Please have an extra set of clothes in a ziplock bag in the backpack. Please label these close with your child's name.

WATER SHOES: We are asking each child to bring a pair of "water shoes" - plastic sandals with a strap on the back so they stay on their feet - on Fridays for water play. This will allow them to play on our pebbled backyard playground out back at Plum Street.

SWIM LESSONS. Our private lessons are provided by Raintree Athletic Club private swim instructors. Although these lessons are optional, *we strongly encourage your child to go through these lessons if they are not yet proficient swimmers.* The lessons are three times each week for 40 minutes from 9:20 - 10:00. We charge you exactly what we are charged - \$35.00. We will include a Swim Lesson Registration Form with your confirmation packet if you register for these lessons.

SUNSCREEN: Please provide a bottle for the summer to share with the camp. We recommend at least 30 SPF. We will keep it for them here at the center and help put it on each day. If your child requires a specific brand of sun screen, please let us know. *Please apply a first coat of sunscreen on your child each day upon arrival at our school or the O'Dea playground.* We recognize this will take extra time, but doing this application at our location ensures for us that it is done.

SUN HAT: We advise that you send a hat to protect your child's head, face, and eyes (we are outside a lot). This too should stay at YPLC so it will be available every day.

NAP TOWEL: This towel will be used for resting on each day at the park or at school (**NOT** for swimming). Please label the towel.

T-SHIRT: A KinderCamp T-shirt will be provided for every child and will be worn at different times throughout the summer. This is something that needs to stay at camp during the summer. We will wash it regularly and give it to you at the end of the summer.

SWIMMING SUIT & TOWEL: Your child will be using their suit and towel regularly, so we suggest you leave it at YPLC all summer. We will take care of the laundry. Remember that the swim towel is in addition to the "nap towel". **Please label these!**

SNEAKERS: These are better than sandals or jellies due to the walking and outside play. Due to safety reasons and experience, no flip-flops or crocs. These shoes have consistently caused safety issues in the past. If your child must wear sandals, please be sure they have a back-strap.

EXTRA MONEY: Please do not send extra money. We cover all costs and cannot be responsible for lost money.

SWIMMING: We swim at City Park Pool, EPIC, Mulberry Pool and take at least one trip to Lake Loveland. Please watch the schedule and *please* remember sunscreen!

MOVIE TIME: We will generally have a movie at the Center each week on Thursdays. We will post the name of the movie on our detailed weekly calendar. Children are always given options of doing a different activity and feel free to let us know if there is a movie planned you do not wish your child to watch.

TUESDAY TRIPS: We would love to have extra parents to help on some of these Big Field Trips. Please let us know ahead of time if you can join us so we can properly plan for that. We will need to know which trips you can help with, if you can drive, and how many children you can put in your car. We pay all the costs for you to attend. The weekly calendar will list those trips we need chaperones for.

COMMUNICATION: We will not be using the communication notebooks for this camp for the summer. If currently attending YPLC, your child will receive his/her notebook at graduation. Please talk to a staff member if you ever have any questions.

CAMP DIRECTORS: Jeff Birr, Amber Lousberg and Julie Hefner-Kerr who are currently our Pre-Kindergarten Teachers, will be our *KinderCamp* Directors this summer. We are proud to say this is Jeff's 10th year with us, Amber's 6th year with us and Julie's 10th year with us.

We are very happy with our schedule this year and are really looking forward to having a great fun summer with your kiddos!
