## Financial Policies

### **Registration**

- There is a \$60.00 Registration Fee due with each Registration Form. That fee is reduced to \$30.00 for those who regularly attend YPLC each week during the school year.
- Your Registration Fee can be waived if you are scheduled for 40 or more days, and you pay in advance for the entire scheduled time with your Registration Form.

### **Payment and Late Fees**

- Full payment for the week is due no later than the first day of attendance each week.
- Any family whose payment is not received by Friday of each scheduled week is subject to a **\$20.00** late fee, each week, until the account is paid in full.

### **Absences and credits**

- You are charged based on the days you registered for. If you have reserved a spot by registering for it, it is not available for anyone else. Therefore, you are responsible for those charges even if your child is sick or there are other unexpected days off.
- Switching days is allowed provided we are given at least 48 hours advance notice prior to the days you want to switch from, and there is space available for the days you want to switch to. All such requests must be in writing submitted 48 hours before the date you want to switch from.

## Activity Schedule Changes

Our schedule of activities are based on the probability of good weather and general conditions of the vendors we use. If weather does prohibit us from doing exactly what is on the schedule for that day, we reserve the right to switch that day's activities to something else which would be appropriate for the weather conditions. This could include switching activities within the week. This is often important to maintain contractual arrangements with vendors. As such, even though we have a terrific track record for sticking to our published schedule, we do not guarantee to provide any specific activity on any specific day.

**I have read and agree to all above terms and conditions:**
